ABOUT ME

Aspiring Software and Intelligent Systems Engineer

As a first-year engineering student specializing in Software and Intelligent Systems at Abdelmalek Essaâdi University, with an expected graduation in 2027, I am developing strong skills in web development, object-oriented programming, and database management. I am eager to apply my knowledge and contribute to innovative projects through internship opportunities.

EDUCATION

Engineering Degree in Software and Intelligent Systems

Abdelmalek Essaâdi University, Tétouan, Morocco, Expected Graduation: 2027

LANGUAGE

Arabic

English

French

SKILL

Web development: HTML, CSS, JavaScript, PHP

Frameworks: Bootstrap, Tailwind, React, Symfony

Programming Languages: C/C++ ,
